

REGISTRATION AGE POLICY 2016

Ivanhoe Junior Football Club provides opportunities to players to play football in age divisions U9's to Colts Divisions.

It is IJFC's recommendation that all registered players will be allocated to a team in their correct age group for the following reasons:

1. This is the best way to protect the health and safety of player
2. To enable players to best develop according to their age and physical capacity
3. It is non-discriminatory as it applies to all players
4. It provides clarity and certainty for players and parents
5. It is consistent with the preferred position of the Yarra Junior Football League.

Discretion is offered, however, where an agreement has been reached between coaches and the player's family, having considered all relevant factors and risks.

YJFL policy prohibits players playing more than 2 years above their age group
